Befriend a Child has a strong reputation for delivering early-intervention support to children and young people who are growing up in difficult life circumstances across Aberdeen and Aberdeenshire. We provide 1:1 befriending and mentoring services which are delivered by trained volunteers, and we operate after school clubs, group activities and holiday playschemes.

Each year we support over 250 local children and young people, and we know our services make a difference. Through building strong and trusting relationships and having the opportunity to try new activities, youngsters can work through their difficulties, overcome their challenges, and reach their full potential.

BEFRIEND A CHILD'S EMERALD CITY BALL

On **Friday 29th May 2026**, Befriend a Child will hold their annual Big Kids' Ball at The Chester Hotel. The Ball is our flagship fundraising and supporter engagement event which provides a chance for us to showcase our work and celebrate with our supporters and guests. The format for the night includes a drinks reception and three-course meal, a presentation from the charity, live entertainment, dancing, a raffle, silent auction, a live auction and other games and prizes. We aim to raise £40,000 from the event and as in previous years we have themed the Ball which we hope will entice people to come along and join us.

SPONSORSHIP OPPORTUNITIES

Each year our sponsors play an important role in helping make the Bid Kids' Ball a success. Sponsorship is used to cover our expenses allowing us to focus all our efforts on fundraising through ticket sales and fundraising activities on the night. Sponsorship makes a huge difference to the net income we can achieve and ultimately the amount of benefit the ball generates for the children and young people we support.

In return for their support, our sponsors can take pride in leveraging their contribution to generate even more income for the charity. In addition, they enjoy a close association with the event, as well as a host of benefits in line with the value of sponsorship.

We hope you will consider sponsoring and attending the event to help make it a success. Details of sponsorship packages are overleaf.
